01

### Digital Meeting

Where we will discuss your project brief, run through your questionnaire answers and establish your preferred design aesthetic.

03

### Digital Presentation

An opportunity to get your initial feedback on the concept design.

05

### Final Presentation

You will be presented with your finalised floor plans and interior design concept.

### Questionnaire

We will send you a digital questionnaire to give us a little more insight for your preferred interior design styles.

02

### Concept Design

At this stage our team will design your overall aesthetic for the space to establish the atmosphere you wish to create.

04

### Floor Plan & Mood Board

Any alterations will be made for your design concept, as discussed. A mood board will be generated alongside a floor plan of your space to map your area.

06

01

### Home Visit & Meeting

We will measure your room and discuss your project brief. We will also run through your questionnaire answers and establish your preferred design aesthetic.

03

### Digital Presentation

An opportunity to get your initial feedback on the concept design.

05

### Digital Presentation
